

## **Sequim Farmers Market Proud Sponsor Program At A Glance**

With the move of the market to Main Street (Washington and Sequim Ave.), we are seeing more and more that our customers are not only supporting our vendors in spectacular fashion, but are also using them as resources for getting to know the community in a similar fashion to how they might use the Chamber of Commerce. Since many of our attendees and customers are tourists, new relocates, or families and individuals who wish to relocate to the Sequim/Dungeness area, they have been placing their trust in our vendors as a solid source for referrals to businesses and services that they can be sure of. Think of our vendors as a nearly perfect direct marketing program.

To that end, we developed our new Proud Sponsor Program to allow us to better partner with our supporters for our mutual benefit and growth. IT WORKS! We see it first hand all the time. So if you are looking for new customers and growth for your business, please consider partnering with us to make that happen.

Here's how it works:

At **Proud Sponsor Level \$3000.00**, you can be the EXCLUSIVE market sponsor in your category! ( i.e. the only realtor, the only car dealer, the only bank, the only chiropractor to whom we refer customers). You have the opportunity to join us at market every Saturday of the season if you like (26 times), or not at all if you prefer. You get first quality block ads on our brochure, banner listings, website links, and our commitment to promote your business every chance we get.

At **Proud Sponsor Level \$1000.00**, you would receive the option to join us at market 13 Saturdays during the season if you wish. You get a block ad on our brochure, banner listing, market links and promotion on our website and our full effort to promote your business, but not exclusivity.

At the **\$500.00 Proud Sponsor Level**, you would not be eligible for the block ad on our brochure, but you may still join us at market up to 6 Saturdays a season to get that wonderful trade show-like exposure for your business, the banner listing, the website promotion links, and our best efforts on your behalf.

At **Proud Sponsor \$250.00 Level**, you still get our website links to your business, a banner listing, 4 weeks of trade show-like exposure at our market if you so desire, and our passionate promotion of your business.

For **Proud Sponsor \$100.00 Level**, You will be listed as a FARMERS MARKET FRIEND on a banner displayed at market. You still get a listing on our website, links to your business, and of course our promotion of your business at every opportunity.

Our vendors will send customers your way! We are passionate about promoting the businesses and individuals that support the market!

Thank you for your consideration. Let's work together! More details upon request.
